

Livestock Emergency Disease Response System (LEDRS)

Application Form
Nebraska LEDRS Corps

Veterinarians, technicians, and cooperative extension educators are being selected for the LEDRS Corps from the applications submitted. Properly completed applications are submitted to the Bureau of Animal Industry at P.O. Box 94787, Lincoln, NE 68509. Applicants are selected on the following criteria: practice type, geographic distribution, e-mail and Internet capability, and commitment as demonstrated by signing the commitment statement at the bottom of the application.

Participants are compensated from funds made available through the USDA grant. Compensation is available when attending seminars, training or exercises, to cover travel, lodging, or meal expenses, etc.
