Onsite Off-Loading

Escort to Final Destination

Escort and Off-Load at Appropriate Site

Off-Load Site: _____ Contact: _____ Phone: _____

- Contact Nebraska Department of Agriculture Regional State Veterinarians to assist in assessing needs and coordinating resources.
- Carriers, dispatchers, haulers and owners should be aware that preferred locations for escort beyond a 30 minute time frame are unlikely to be viable options.
- It is understood that from any designated location the livestock owner, carrier, or hauler is responsible for coordinating proper transport to a final destination and financially responsible for this cost as well.
