NCC = No corresponding category. <sup>1</sup>Reciprocity will NOT be granted for individuals possessing a Colorado Certified Operator License. <sup>2</sup>Reciprocity will NOT be granted for individuals possessing a Kansas Registered Technician License. <sup>3</sup>Washington has numerous categories for which direct reciprocity is not available. In some instances, a formal comparison of the categories held by the applicator, and those desired will need to be made by the certifying agency to determine what categories may or may not be available.
