| 8/24/17 | Frank Albrecht | Valparaiso, NE | Saunders | 402-540-9864 | Prairie hay | 500 small square bales | \$5/bale | High quality prairie hay - mostly big bluestem, little bluestem, indiagrass, sideoats gramma, switch grass, etc. Never rained on and was cut on August 20th. |
| 8/17/17 | Scott Lehmann | Burchard, NE | Pawnee | 620-393-1346 | Prairie | 50 to 60 bales | \$75/bale | Weed free and net wrapped. |
| 8/15/17 | Plum Thicket Farms | Gordon, NE | Sheridan | 308-282-0880 or 308-360-1996 | Hail damaged corn silage fed out in dry lot | 1,200 T equivalent to 400 tons high quality hay | Depends on class of cattle | We can feed cows or back ground calves; could take roughly 260 cows for 120 days. Would expect to increase body condition scores by 1 to 1.5 if the cows need it. We don't want to calve cows out, but can get them into good shape for calving. Veterinarian on premise with strong nutrition back ground. See web site plumthicketfarms.com |
| 8/11/17 | Independent Forage Growers | Statewide | All counties | 800-743-1649 | Alfalfa, grass and mixed hay | All quantities available | Contact grower for price | Visit IndependentForage Growers.com |
