(420) 586-2631  
sue@almostafarmhighlands.com  
www.almostafarmhighlands.com  
Scottish Highland

Almosta Farm was started in 2002 on 25 acres in northeast Nebraska. With careful consideration in choosing bloodlines; we have grown to 10 cows and 2 bulls. We raise quality registered animals for seedstock and beef. We are hormone free and animals excel in a grass-fed program. We have two herd sires. Spring Flight Connecticut Yankee is our senior sire. He is consistently producing quality "cookie cutter" calves. They are well muscled, long and structurally sound with great feet and legs. Skye High Koal is our junior sire. He was the 2010 National Grand Champion Bull at the National Western Stock Show and the 2009 Roll of Excellence Bull of the Year. We have semen for sale for either domestic or international markets (not EU accredited). We have sold semen to New Zealand and Chile. He is showing that he can produce quality, correct, purebred and Angus-cross calves that are excelling in various cattle venues.

### **APEX Cattle**

Joel or Dan Leo
